About

My name is Laura Reyes. I am a UX UI designer with Frontend Skills. I have special interest in the research phase of technical projects, ensuring innovative solutions are user-focused. I am currently looking for a new job in a company where I can develop my career.

Experience

- **UX UI Designer & Design System**, Planout Startup (Dec 2020 - Aug 2022)

I worked in a StartUp in the design of a large scale native app, similar to WhatsApp or Instagram. Team size: 7 people.

- UX: sketches, user stories, benchmarking, documentation and low fidelity wireframes
- UI: prototypes and high fidelity wireframes
- Algorithms and logic
- Creation and maintenance of the Design System (IOS/Android)

- **Product Design Intern**, Universidad Politécnica de Madrid (May 2018 - Ago 2018)

Taking part of an innovation project to redesign some spaces of the Universidad Politécnica de Madrid.

Education

- **Front End Development**, Escuela Trazos* (Jun 2022 - Dec 2022)

Including HTML, CSS, SCSS, JavaScript, jQuery and ReactJS (300 hours)

- **Graphic Design**, Escuela Trazos (Sep 2019 - Ago 2020)

Including UX UI, 2D animation and Adobe Design Tools (600 hours)

- **Degree in Industrial Design Engineering and Product Development**, Universidad Politécnica de Madrid (2014 - 2019)

Honors in Physics I, Artistic Drawing, Basic Design and Statistics.
